"

Red Learning is a game-changer. I came here to upskill in my industry, and I couldn't be happier with the results. The support from the staff and the quality of the training are exceptional. This is the place to be for professional development.

- Boogie Varghese -

"

"I can't express enough how valuable my experience with Red Learning has been. The courses are expertly designed, and the instructors are top-notch. The skills I've gained here have had an immediate impact on my career. Highly recommended!

- Diana Sharif -

"

Thanks to the Red Learning team for the support delivered. With their support I have taken PMP(Project management professional) program and succeeded in the first attempt Trainer Mr Najmul explained the content in the perfect way and I got a pass on the first attempt with the above target.

Project Management Professional (PMP)®

The PMP acknowledges candidates skilled at managing the people, processes, and business priorities of professional projects. PMI, the world's leading authority on project management, created the PMP to recognize project managers who have proven they have project leadership experience and expertise in any way of working. PMP certification validates that you are highly skilled in: Motivating people and teams through all phases of a successful project. Using predictive, agile and hybrid approaches to determine which way of working is best for each project. Highlighting the success of a project and its impact on overall strategic organizational goals.

More than just knowledge: While the PMP exam assesses your grasp of these concepts, it goes beyond theoretical understanding.

- 42% People
- 50% Process
- 8% Business Environment

Project Management Institute (PMI) is the leading professional association for project management and the authority for a growing global community of millions of project professionals and individuals who use project management skills. Collectively, these professionals and "change-makers" consistently create better outcomes for businesses communities, and society worldwide.

Advantages of Obtaining the PMP ®

- The PMP® Exam Preparation Certification is the industry's ideal model standard for Project Management Certifications.

- The most generally approved and valid Project Management certification worldwide.

- Recognize the global language of Project Management and associate with Project Management Professionals.

- Certified experts are capable of handling projects of all sizes and in all businesses.
