Risk Management Professional (PMI-RMP)®

Identify and evaluate project risks as a specialty. Risks pose difficulties. They can cause delays, costs, missed deadlines, and even project failure if they aren't managed properly. However, they can provide a competitive edge and even possibilities if properly managed. Risk management is an important part of every organization's operations. Validate your abilities and become the risk expert your firm needs.

The PMI-RMP designation qualifies you to: Detect issues before they become a problem. Evaluate the project's hazards. Threats should be minimized.

- Risk Strategy and Planning
- Risk Identification
- Risk Analysis
- Risk Response
- Monitor and Close Risks
